

Skittles

Age Group: Foundation / Early Years

How to set up:

- Place a marker cone down where children will roll their ball from
- Set up the skittles as shown in the diagram

If you don't have skittles available
use balls sat on marker cones

Equipment:

- Marker Cone
- Large Ball (Soft)
- 6 Skittles
or
- 6 Tennis balls sat on marker cones

How to play:

- Children will take turns to roll the ball at the skittles trying to knock them over
- The ball must be rolled and not thrown
- Children cannot take a run up
- Someone must set the skittles back up after each child's roll ready for the next person's turn
- Each child will have three rolls

How to Score:

- One child will record the number of skittles that are knocked over per turn
- 1 Skittle = 1 Point
- The total number of skittles knocked over by each child after 3 rolls should be added together to get a total score
