

## Team Catch

**Age Group:** Foundation / Early Years

### How to set up:

- Place a marker spot down where the feeder will throw from
- Place the other marker spots down in a semi circle 2 metres away
- Make sure the stopwatch is ready

### Equipment:

- 7 Marker Spots
- 1 Beanbag
- Stopwatch

### How to play:

- One child will be a 'feeder' and another a 'scorer'
- Children will stand on the marker spots facing the feeder
- When the children are ready, the scorer will start the stopwatch
- The feeder will throw the beanbag to each of the children in turn as many times as they can in 3 minutes
- Once an child has caught the beanbag they will throw it back to the feeder and so on until the time is up

### How to Score:

- The scorer will count the number of successful catches that the children make in 3 minutes
- 1 catch = 1 Point
- If the beanbag is dropped, no point is scored
- The team's total number of catches will be recorded
